https://sffeb_dec_6_2017.eventbrite.com

PLEASE BRING ID

Invitees:

- All Bay Area Federal Agency Directors, Managers and Staff
- Federal Staff with Safety and Emergency Planning Functions

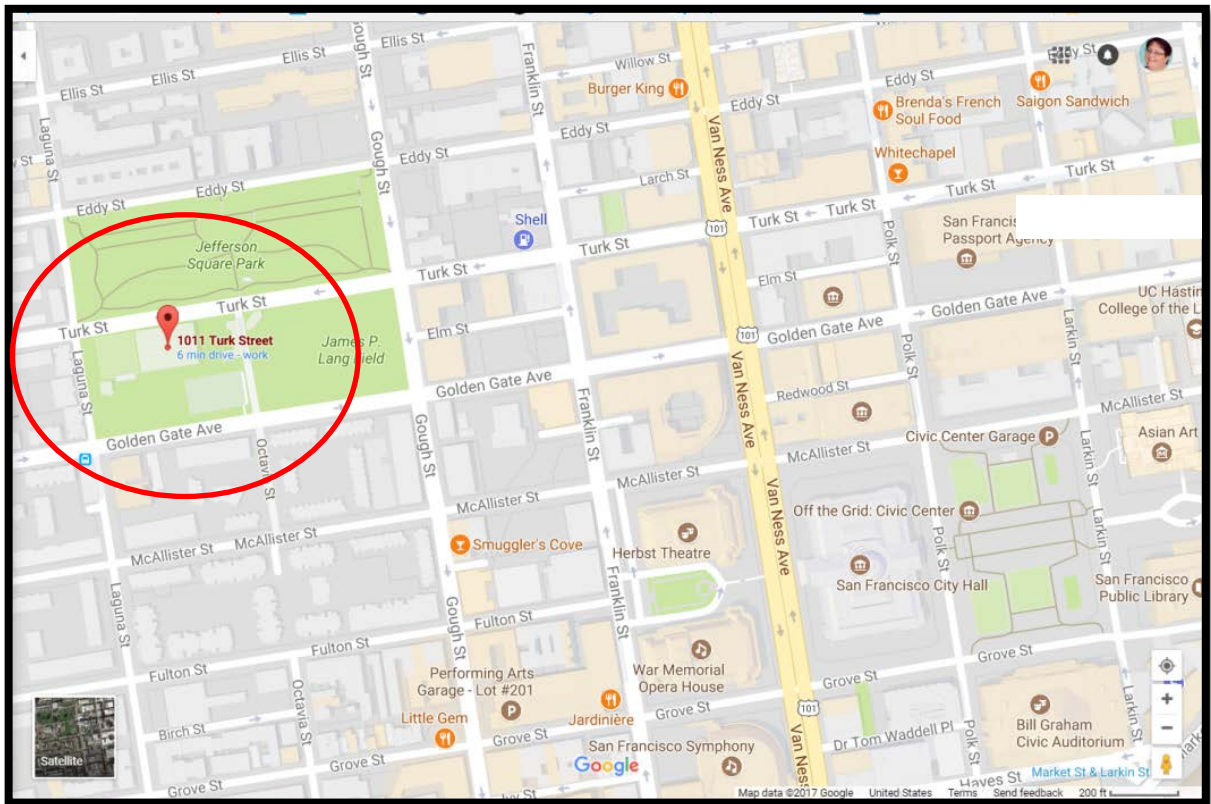

Panelists:

- **Bijan Karimi** **Assistant Deputy Director**, San Francisco Department of Emergency Management, <http://sfdem.org/>
 - **Corey Reynolds** **Regional Project Manager**, Bay Area Urban Areas Security Initiative (UASI), <http://www.bayareauasi.org/>
 - **Monika Stoeffl** **Executive Director**, California Resiliency Alliance (CRA) www.CAresiliency.org
 - **Fiona Raymond-Cox** **President** of the Business Recovery Managers Association, <http://www.brma.com/>
- How do emergency organizations and the City of San Francisco use their Emergency Notification Systems?
 - What triggers the use of an Emergency Notification System?
 - What would be a good use of the Federal Executive Board's Emergency Notification System?
 - How does your agency use Emergency Notification Systems, and if they don't do you think they should?

* Speed Networking is a structured process for facilitating introductions and conversation between people who don't know each other. Bring your business cards!

San Francisco Department of Emergency Management Emergency Operations Center 1011 Turk Street San Francisco

- Food and drinks are not allowed in the EOC. If you do have refreshments, there is a side room that can be used to place and consume
- DEM is fragrance-free building. We have employees that are sensitive to perfumes and scented lotions.
- No parking is not available. However, there are meters on Turk, Golden Gate, Gough, and Laguna.
- Finally, we may need to use the EOC to respond to an emergency with little or no notice. If this is the case, we will need to cancel or reschedule your event.
